GUARANTEE TO SECURE PAYMENT FOR ELECTRIC SERVICE

FOR AND IN CONSIDERATION of the extension of Residential or Commercial electric service by Floresville Electric Light and Power System, 187 State Highway 97 E, Floresville, Texas 78114 (herein referred to as FELPS) to _____ Account# _____, Location# _____ (herein referred to as Applicant). The purpose of securing payment for such electric services as provided by FELPS to Applicant, and in lieu of a deposit; and, in the event the Applicant fails or refuses to render timely payment for service provided by FELPS to Applicant:

I, _____ (herein referred to as Guarantor) Account# _____ do hereby guarantee payment to FELPS for electric service provided to the Applicant. Should this account become delinquent and remain unpaid, and if the electric service of the Applicant is disconnected for non-payment, I agree and understand that FELPS will transfer the Applicant's balance to my account and my electric service may be disconnected if I do not pay the Applicant's account balance in full by the due date. I further agree and understand that should my electric service with FELPS be disconnected for any reason and should I fail to meet the above Guarantee; I understand the applicant's delinquent bill will be submitted to FELPS' Collection Agency in my name. This Agreement shall secure twenty-four (24) months of billings from the actual cut-in/effective date.

Dated this _____ Day of _____, _____.
